

## Flocking to Seattle: Twittering #ODnet2009 OD Network

---

### Design

*This is all about implementation*

*Related milestone: [2 Oct - Design Intervention](#)*

- Action planning
- refine goals
- review roles
- set baseline metrics
- Meet live?

### Things for the Conference

*This is action items for the design of the implementation which is contingent design.*

*Related milestone: [14 Oct - Implementation](#)*

- pre-test for baseline metrics
- design information materials
- give Peter a script
- set up visual aids
- Huddle
- set up a conference Twitter Profile
- tutorial in group Tweet
- Other online tutorials?
- Survey Feedback midstream
- post test for results metrics

### Follow up

*This is about closing the project and making recommendations to the OD Community at large.*

- get closing metrics
- debrief
- draft white paper
- distribute findings
- publish in OD Practitioner
- Blog Blitz
